O R D E R:

The Government do not approve the proposal of the Surgeon-General to grant on a permanent basis the increased rates of stipends for nurse pupils sanctioned in G.O.No.1797 Public Health, dated 12-6-42.

2. Sanction is accorded to the continuance for a further period of one year from 15-5-1949 of stipends to men and women nurse pupils at the rates specified in G.O.No.1797 Public Health dated 12-6-42. The Surgeon-General is requested to submit towards the expiry of this sanction a detailed report as to whether any difficulty will be felt in securing a sufficient number of suitable nurse pupils if the old rates are restored.
